CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS AND RISKS

Some of the statements in this press release are forward-looking statements and are based on an assumed set of economic conditions and courses of action, including: (a) whether Golden Eagle' will be able to obtain sufficient financing to continue to meet its operational goals; (b) estimates of mineral reserves and future production levels; (c) expectations regarding estimated mine production costs taking into account higher petroleum prices, expected trends in mineral prices, and statements that describe Golden Eagle's future plans, objectives or goals; (d) uncertainties that result from actions that may be taken in Bolivia relative to increases in the Complementary Mining Tax, Corporate Income Tax or the amount paid for mining patents [claims fees] in the future; e) uncertainties that result from social and political conditions in Bolivia; and f) other risk factors and matters disclosed in Golden Eagle's Securities and Exchange Commission ("SEC") filings which may be accessed at www.sec.gov. There is a significant risk that actual material results will vary from projected results depending on such factors as changes in general economic, social and political conditions in Bolivia and financial markets; changes in gold and copper prices; technological and operational hazards in Golden Eagle's mining and mine development activities; uncertainties inherent in the calculation of mineral reserves, mineral resources, mineralized material (which has the lowest level of technical confidence) and metal recoveries; the timing and availability of financing; governmental and other approvals, and other risk factors listed from time-to-time in Golden Eagle's Form 10-K and its other reports filed with the SEC. The mining projects in Bolivia described in this release, and related evaluations, or in our other disclosures, should not be construed by

any means as an indication of the present or future value of the Company or its common stock. Additionally, our plans with respect to the Buen Futuro A Zone gold and copper project, or the B & C Zone gold project, should not be construed by any means as an indication of whether we will ever conduct successful mining operations in connection with those projects. Golden Eagle disclaims any responsibility to update forward-looking statements made herein.
